It is my pleasure to welcome you to the Simeone Foundation Automotive Museum, selected as the “Museum of the Year” by the International Historic Motoring Awards.

To experience The Spirit of Competition come alive, join us for our bi-monthly Demo Days. Along with running the cars around our 3 acre back lot, I will give a lesson on the specs, history and provenance on each of the automobiles. Our philosophy is that it is not just the mechanics of the machine, or how fast it can go, but about where the car has been and what it has experienced. Each one has a story worthy of hearing.

I hope you enjoy this exhibition, find it educational, and will come back to visit us often.

Fred Simeone
