CELEBRATING
THE SPIRIT OF
COMPETITION
2018 EVENT SCHEDULE

It is my pleasure to welcome you to the Simeone Foundation Automotive Museum, selected as the "Museum of the Year" by the International Historic Motoring Awards.

To experience The Spirit of Competition come alive, join us for our bi-monthly Demo Days. Along with running the cars around our 3 acre back lot, I will give a lesson on the specs, history and provenance on each of the of the automobiles. Our philosophy is that it is not just the mechanics of the machine, or how fast it can go, but about where the car has been and what it has experienced. Each one has a story worthy of hearing.

I hope you enjoy this exhibition, find it educational, and will come back to visit us often.

Fred Simeone

2018 DEMO DAYS AT SIMEONE MUSEUM

The demonstration days will also present guest cars not previously seen here in action.

Following the usual theme, a brief discussion of the importance of the vehicles being driven, their technical aesthetic and historical relevance explained, then a spirited drive around the track.

Demo days are held on the listed Saturdays at noon.
